OBJECTIVE

Motivated and highly involved first-year Computer Science Co-op student at McMaster University with extensive leadership experience in marketing, communications, STEM outreach, and event management. Proven ability to lead teams, develop impactful marketing campaigns, create engaging digital content, and organize large-scale community initiatives. Passionate about technology, innovation, and community engagement, with strong problem-solving, communication, and organizational skills. Seeking opportunities to apply technical, creative, and leadership abilities while contributing to organizational success and continuing professional growth.

SKILLS

- Computer, Research & Visual Design Skills
- Proficient in Google & Microsoft Tools
- Problem Solver, Logical & Practical Thinker
- Excellent Interpersonal Skills
- Public Speaking Skills
- Creative & Innovative

WORK EXPERIENCE

Zebra Robotics - Marketing & Communications Specialist

May 2026 - PRESENT | Zebra Robotics Brampton East, 20 Maritime Blvd, Brampton ON

- Developed marketing and communications for STEM and robotics programs, creating social media content, graphics, photos, and videos to boost engagement and awareness. Supported recruitment through posters, emails, and promotional materials, and analyzed engagement to improve outreach.
- Represented Zebra Robotics at outreach events and assisted in planning workshops, camps, and competitions. Collaborated with staff to share updates and student achievements with the community.

LEADERSHIP EXPERIENCE

Brampton FBLC, TA & JEC - Chief Director (Overseer of RMS + Marketing Departments), Board of Administrators & Vice-Chairwoman (Operations) for Founders Den 2026

October 2024 - June 2026, Brampton, ON

- Served on the Board of Directors, providing strategic leadership, governance, and oversight for organizational growth.
- As Vice Chairwoman (Operations) and Chief Director for Founders Den 2026, led operations, coordinated executive teams, and oversaw entrepreneurship programs, workshops, and events while improving efficiency and supporting board administration.
- As Deputy Director of Marketing, led marketing campaigns, created branding content, and managed social media to increase engagement and visibility.
- Collaborated with executives, volunteers, and partners to support events and strengthen outreach, demonstrating strong leadership and project management skills.

Chinguacousy Sci-Tech Activity Committee (STAC) - Director of Marketing & Public Relations (PR)

September 2024 - June 2026, Brampton, ON

- Led marketing and PR for school STEM initiatives and hackathons, creating branding, social media campaigns, and promotional materials to boost engagement and participation. Coordinated with students, staff, sponsors, and mentors to support successful event planning and communication.
- As Director of Marketing & PR and Organizer for WolfHacks 2025–2026, managed branding, outreach, logistics, and operations for a large student-led hackathon. Designed visual identity assets and produced digital content including posters, social media graphics, videos, and recap reels.
- Built and maintained the event website, created outreach systems, and led engagement with 200+ students, schools, mentors, and organizations to increase participation and sponsorship.

Superposition Toronto - *Director of Communications & Social Media Coordinator*

June 2025 - May 2026, Brampton, ON

- Directed communications and social media strategy for Superposition Toronto, promoting initiatives to increase gender diversity and accessibility in tech. Created and managed content across platforms to boost engagement and event participation.
- Designed promotional graphics and marketing materials and led outreach to students, schools, sponsors, and community partners to expand awareness of programs and events. Collaborated with the executive team to plan and execute workshops, networking events, and STEM initiatives.
- Analyzed engagement metrics to improve campaign performance, maintained consistent branding, and supported community growth by fostering engagement and promoting opportunities in technology and computer science.

First Robotics FRC Team 3650, Mechawolves - *Business Co-Lead & Lead Social Media Manager*

September 2022 - June 2026 | Chinguacousy Secondary School, 1370 Williams Pkwy E, Brampton ON

- Member of FIRST Robotics Competition (FRC) Team 3650, Mechawolves, contributing across business, scouting, outreach, and media divisions. Managed branding, social media, and digital content to promote team achievements, sponsorships, and outreach, while supporting sponsor relations and promotional materials.
- Coordinated business operations, mentoring new members and assisting with outreach, fundraising, and sponsorship initiatives. Led scouting efforts by organizing match data collection, analyzing performance metrics, and supporting alliance selection and match strategy.
- Supported community outreach events, STEM demonstrations, and maintained the team website with updated content. Captured photo and video media for competitions and events, used across marketing, sponsor materials, and team archives.

EDUCATION

McMaster University

September 2026 - Anticipated Graduation April 2030

- Program: *Computer Science 1 (Co-op)*
- Undergraduate Engineering Degree
 - *Honours Bachelor of Applied Science (B. A. Sc.) in Computer Science*
 - *Minor in Innovation*

Chinguacousy Secondary School

September 2022 - June 2026

- *Ontario Secondary School Diploma*
- Graduated with *Honours & Excellence*
- Completed all components of the *SciTech (Science & Technology) North Regional Program*
- Over *500 Volunteer Hours* earned throughout high school
- *Overall GPA ~ 4.0 or 90%*
 - *Grade 9 Average: 90%*
 - *Grade 10 Average: 94%*
 - *Grade 11 Average: 88%*
 - *Grade 12 Average: 94%*
- Honour Roll & Character Awards
 - *SciTech Resilience Award*
 - *Ontario Scholar Award* (Average of 80% in any 6 Grade 12 Courses)
 - *Minister's Certificate of Recognition for Community Involvement*
 - ***Gold Certificate*** (over 200 community involvement hours)
 - *Certificate of Distinction in Grade 12 Math Courses* (Calculus & Vectors, Advanced Functions, & Mathematics of Data Management)
 - *Certificate of Distinction in Grade 12 Science Courses* (Chemistry & Physics)

Williams Parkway Senior Public School

September 2019 - June 2022

- *Graduated with Honours & Excellence*
 - *Grade 8 Average: 95%*
 - *Grade 7 Average: 90%*
 - *Grade 6 Average: 90%*
- Honour Roll & Character Awards
- Geography Subject Award

Hilldale Public School

September 2012 - June 2019

- French Subject Award

AWARDS

- SciTech Resilience Award
- Ontario Scholar Award
- Gold Minister's Certificate of Recognition for Community Involvement
- Certificate of Distinction in Grade 12 Math Courses
- Certificate of Distinction in Grade 12 Science Courses
- Chinguacousy SciTech Activity Committee (STAC) Award of Achievement
- Chinguacousy Robotics, Mechawolves Team FRC 3560 Award of Achievement
- 1st Place in Steamworks Arts Event - November 2023
- Team Spirit Award with Chinguacousy Robotics FRC Team 3560 - March 2025
- Numerous Chapter Awards (2nd Best Chapter, 2nd Best Performing Chapter & Best Engagement Award) were won during CNLC 2026 with Brampton FBLC, JEC & TA
- 2nd Place in the Canadian Intermediate Math Contest (CIMC) - October 2023
- Numerous Character Awards recognizing skills such as Responsibility, Organization & Initiative

CERTIFICATIONS

- *WHMIS 2015 Certification – Peel District School Board (September 2022 – Present)*
- *Grow with Google UX Design Professional Certificate – Coursera (May 2025 – Present)*
- *Course Certificate – AI Skills 4 Women (Microsoft) - Founders (June 2026)*
- *Course Certificate – Exploring Artificial Intelligence Use Cases and Applications (Amazon Web Services) – Coursera (June 2026)*
- *Course Certificate – Swift Programming Fundamentals – Encode AI (February 2026)*
- *Course Certificate – Canva Graphic Design Essentials – Canva (June 2026)*
- *Course Certificate – The Field Guide to Human-Centered Design – Canva (June 2026)*
- *Course Certificate – Programming Foundations with Python – CodeSignal (July 2024)*
- *Course Certificate – Python Fundamentals Developer – Zebra Robotics (July 2024)*
- *Course Certificate – HTML Foundations & Basics Course – Codecademy (March 2024)*
- *Course Certificate – Getting Started with JavaScript – CodeSignal (January 2024)*

CODING/COMPUTER ENGINEERING PROJECTS

Programming Languages Knowledge & Fluency:

- | | | |
|---------------------------|---|--------------|
| ● Python | ● HTML & CSS (Basic Web Development) | ● Javascript |
| ● C++ | ● Node.js & React.js (Advanced Web Development) | ● Typescript |
| ● Swift (iOS Development) | ● Git & Github | |

Projects Built

- *Smart Home Display*: Built a full-stack system integrating hardware, software, and APIs for real-time monitoring and control using Python, React, TypeScript, and [Node.js](#).

- *Portfolio Website*: Developed a responsive site showcasing projects, achievements, and leadership.
- *Focus App*: Created a productivity app with task management and focus sessions using React, TypeScript, and Node.js.

CLUBS & EXTRACURRICULARS

Participated in:

- CCC - Canadian Computing Contest (Junior Level - 2023 & 2024) + (Senior Level - 2025 & 2026)
- First Robotics Competitions {FRC} 2022 - 2026: Charged Up, Crescendo, Reefscape & Rebuilt
- Steamworks & Wolfhacks (Hackathons run by Chinguacousy's STAC) (2023 & 2024)
- Canadian Intermediate Math Contest (CIMC) (2022 & 2023) & Senior Math Contest (CSMC) (2024 & 2025)
- Gauss, Pascal, Cayley, Fermat & Euclid Mathematics Contests (2021 - 2026)
- Target Alpha Stock Pitch Competition (Magna Stock) - Nov 7th. 2025
- Target Alpha Stock Trading Competition: January - March 2026
- Target Alpha Financial Planners Conference Participant - April 2026
- Junior Economic Club ECOFIN Competition - Dec. 13th 2025
- Canadian Youth Changemakers Summit - April 18th, 2026
- Canadian National Leadership Conference (CNLC 2026) - Business Plan
- DECA 2024/25 - Financial Literacy Project (PMFL)
- DECA 2025/26 - Integrated Marketing Campaign: Product (IMCP)
- Grow with Google Program Participant (Scholarship Awarded for Certification)
- Swift Coders Lab Program Participant
- AI Skills 4 Women Program Participant (Microsoft Certification)
- Take Your Kids To Work Day (Ingram Micro) - November 2022
- STEM Programs & Coding Courses (2014 - 2024)
